

BACKYARD THEATER SCREEN

Vega Portable Pole Floor Screen is the ideal solution for mobile presentation and travelling. Set up and packed up in next to no time and it tends to take up less space and look neater. The new 16:9 format is targeted at the home cinema market.

EASY SETUP & TAKEDOWN

With simple design, the screen is extremely easy to set up. You can create your own portable movie theatre in minutes wherever you need it and dissemble it quickly.

EASY PORTABILITY

The lightweight screen kit comes with a portable carrying bag for easy storage as well as transportation.

WATERPROOF MATERIALS

The screen can withstand light rain as it is made of waterproof polyester fabric, aluminum and plastic.

BUDGET FRIENDLINESS

The screen is inexpensive & affordable. You can enjoy ultimate theatre-like movie watching experience at a very low cost.
