

# SUPREME TAB-TENSIONED SCREEN

Supreme Tab-tensioned series of projection screens is one of the best choices for home theater, especially for those having panel for other application. By using a large size roller with tab-tensioned system, it provides the best flatness, offering minimum image distortion.

## ELEGANT APPEARANCE

The aluminum alloy extruded frame with glossy white powder coating.

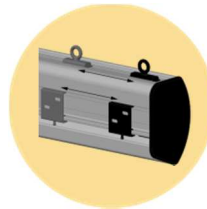

## SILENT

Heavy-duty silent motor with integrated shock absorber

## TAB TENSIONED

Incorporated with elastic fabric and weighted slat bar, the tab tensioned system offer the best flatness among all rolling type electric screens.

## DETACHABLE MOUNTING BRACKET

Detachable mounting bracket allow installer to hang on the screen without the help of others. User can fine tune the center line of screen with the projector after installation through the sliding rack structure.

## BEARING SUPPORT

Ball bearing ensure reliable support and smooth operation.
